To Whom It May Concern:

It is with great pleasure that I am recommending Riley Emery to you. I am a teacher and a coach at Apollo High School and I have worked with Riley in his baseball endeavor from June 2021 to the present.

Riley Emery would be a great asset to any college baseball program. He is a quality baseball player and an even better person.

Riley can run and swing it. He is a student with great morals. I believe that Riley will be an excellent fit for your program.

Riley has been nothing short of an exemplary student. If you have any further questions, feel free to contact me at (602)-509-2481 and I will be happy to answer

Sincerely,
